

MAHASKA COUNTY CONSERVATION BOARD
Office located 2342 Highway 92 Street, Oskaloosa IA 52577
641-673-9327
Chris Clingan, Executive Director

Today, the Mahaska County Conservation Board manages over 1,700 acres of the county as twenty separate areas.

The Mahaska County Conservation Board was established in January 1975. The purpose of the Conservation Board is to provide quality parks, recreation, conservation and environmental education opportunities for the public.

The five members of the Conservatin Board are appointed by the Board of Supervisors for five-year terms. They serve without pay, but receive their actual expenses incureed while carrying out their duties. The board meets on the first Thursday of each month at 7:30, public particiation is welcomed.
